

# ***Engaging Carbon Intensive Companies through Climate Action 100+***

*A CII member-hosted meeting presented by Ceres*

Tuesday, March 13 from 4:30-5:30 PM ET

**Hosted in the Hampton Ballroom at the Omni Shoreham Hotel - 2500 Calvert St NW**

Climate Action 100+ is a new five-year initiative led by investors to engage with the world's largest corporate greenhouse gas emitters to improve governance on climate change, curb emissions and strengthen climate-related financial disclosures. To date, 256 investors with USD \$28 trillion in assets under management have signed on to the initiative.

This session, featuring investors participating in the Climate Action 100+ initiative, will focus on the three main commitments investors are seeking to secure from focus companies, and on effective strategies for engaging portfolio companies on the inherent risks, and associated opportunities, of climate change.

**Moderator:** • Cynthia McHale, Director, Climate Action 100+ Investor Engagement, Ceres

**Panelists:** • Catherine Moyer, Proxy Analyst, Northern Trust

• John Thieroff, Vice President – Senior Analyst, Environmental, Social and Governance, Moody's Investors Service

• Speaker TBD - California Public Employees' Retirement System

• Speaker TBD - New York State Comptroller's Office
